BLAISE KOLODYCHUK PRESENTS:

THE NANDI BEAR TENANTS

Naiad Bear, her father was a bear, and her mother was human, and Dorriss Doom, a cat with human traits and the unbelievable super powers of a warlock sit in a coffee shop. Two old friends who have had many adventures before...

Dorriss, I'm glad you could meet me today.. It feels like I haven't seen you in years.

B&C COFFEE AND DOUGHNU

It's been like five days Naiad. What's up?

Well you know how since my brother went back to the peanut butter dimension I haven't been able to get work.

Well I was wondering if maybe, if it isn't too much trouble... could I stay with you for a little while? I kind of got kicked out of my apartment yesterday.

Yeah...

Oh Naiad. I guess so. Where is your stuff?

All I got is what is in my back pack.

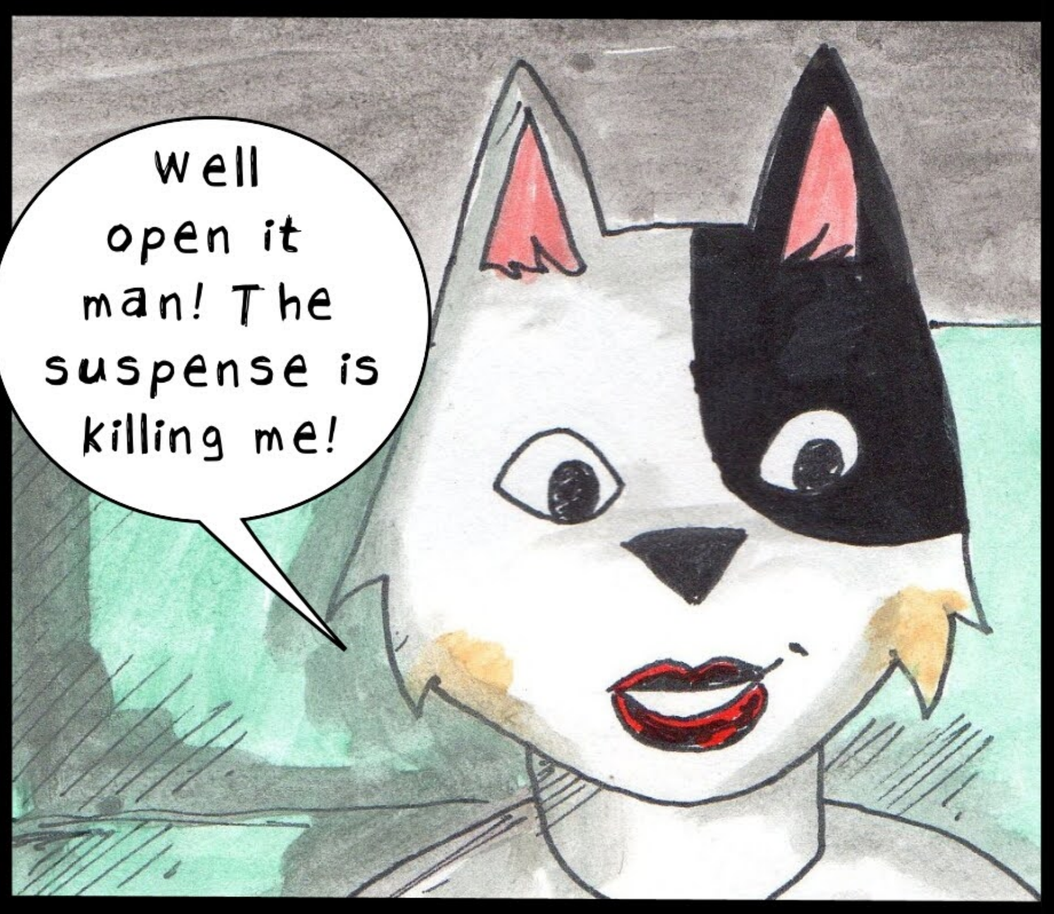
Out of nowhere, a mystical ball of light appears between the two friends!

I have no idea? Some sort of ball of light it would seem.

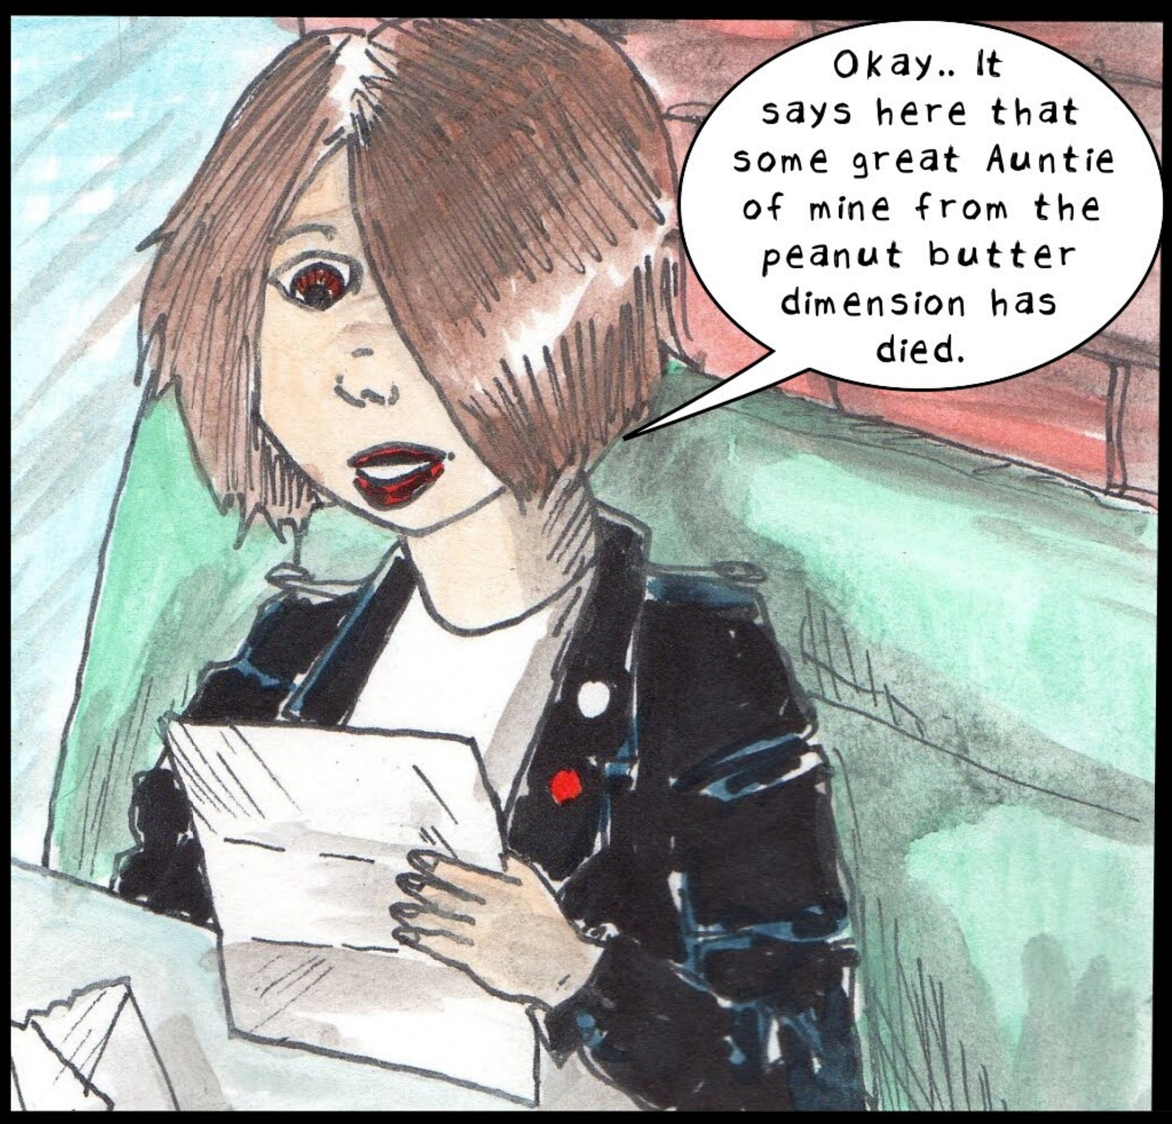
Okay.. So what is that?

Very clever. Wait, it's getting dimmer. Looks like there is an envelope.

This is weird. It is addressed to me.



Well open it man! The suspense is killing me!



Okay.. It says here that some great Auntie of mine from the peanut butter dimension has died.

Oh no.. I'm so sorry!

Sad as that may be, I have no idea who Nandi was. And in other news, she had a home on Earth, and was apparently loaded.

So what does it mean?

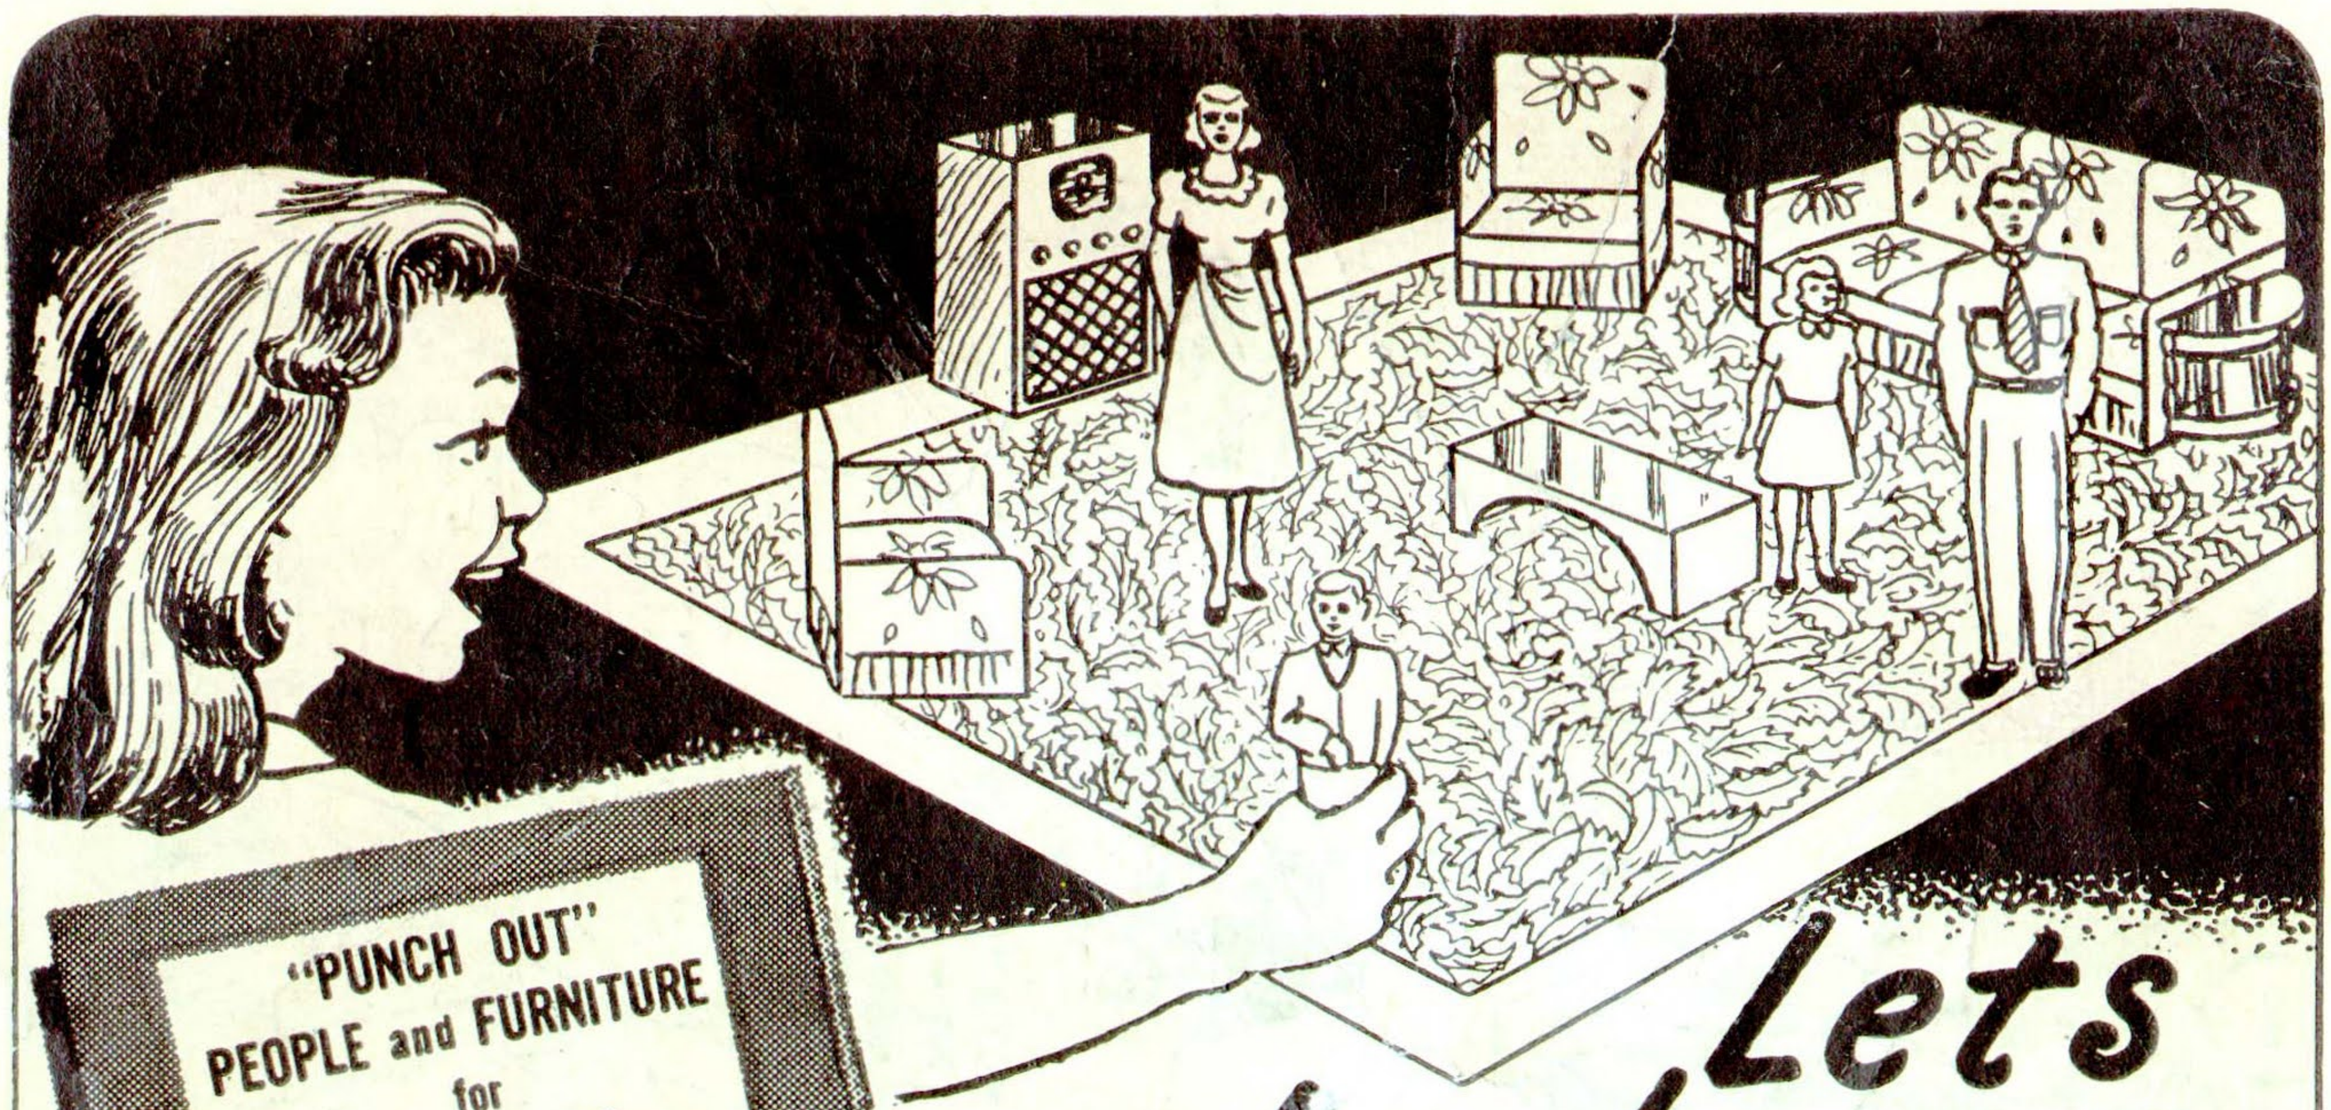
It means I just inherited tons of money, and also Auntie Nandi's house.

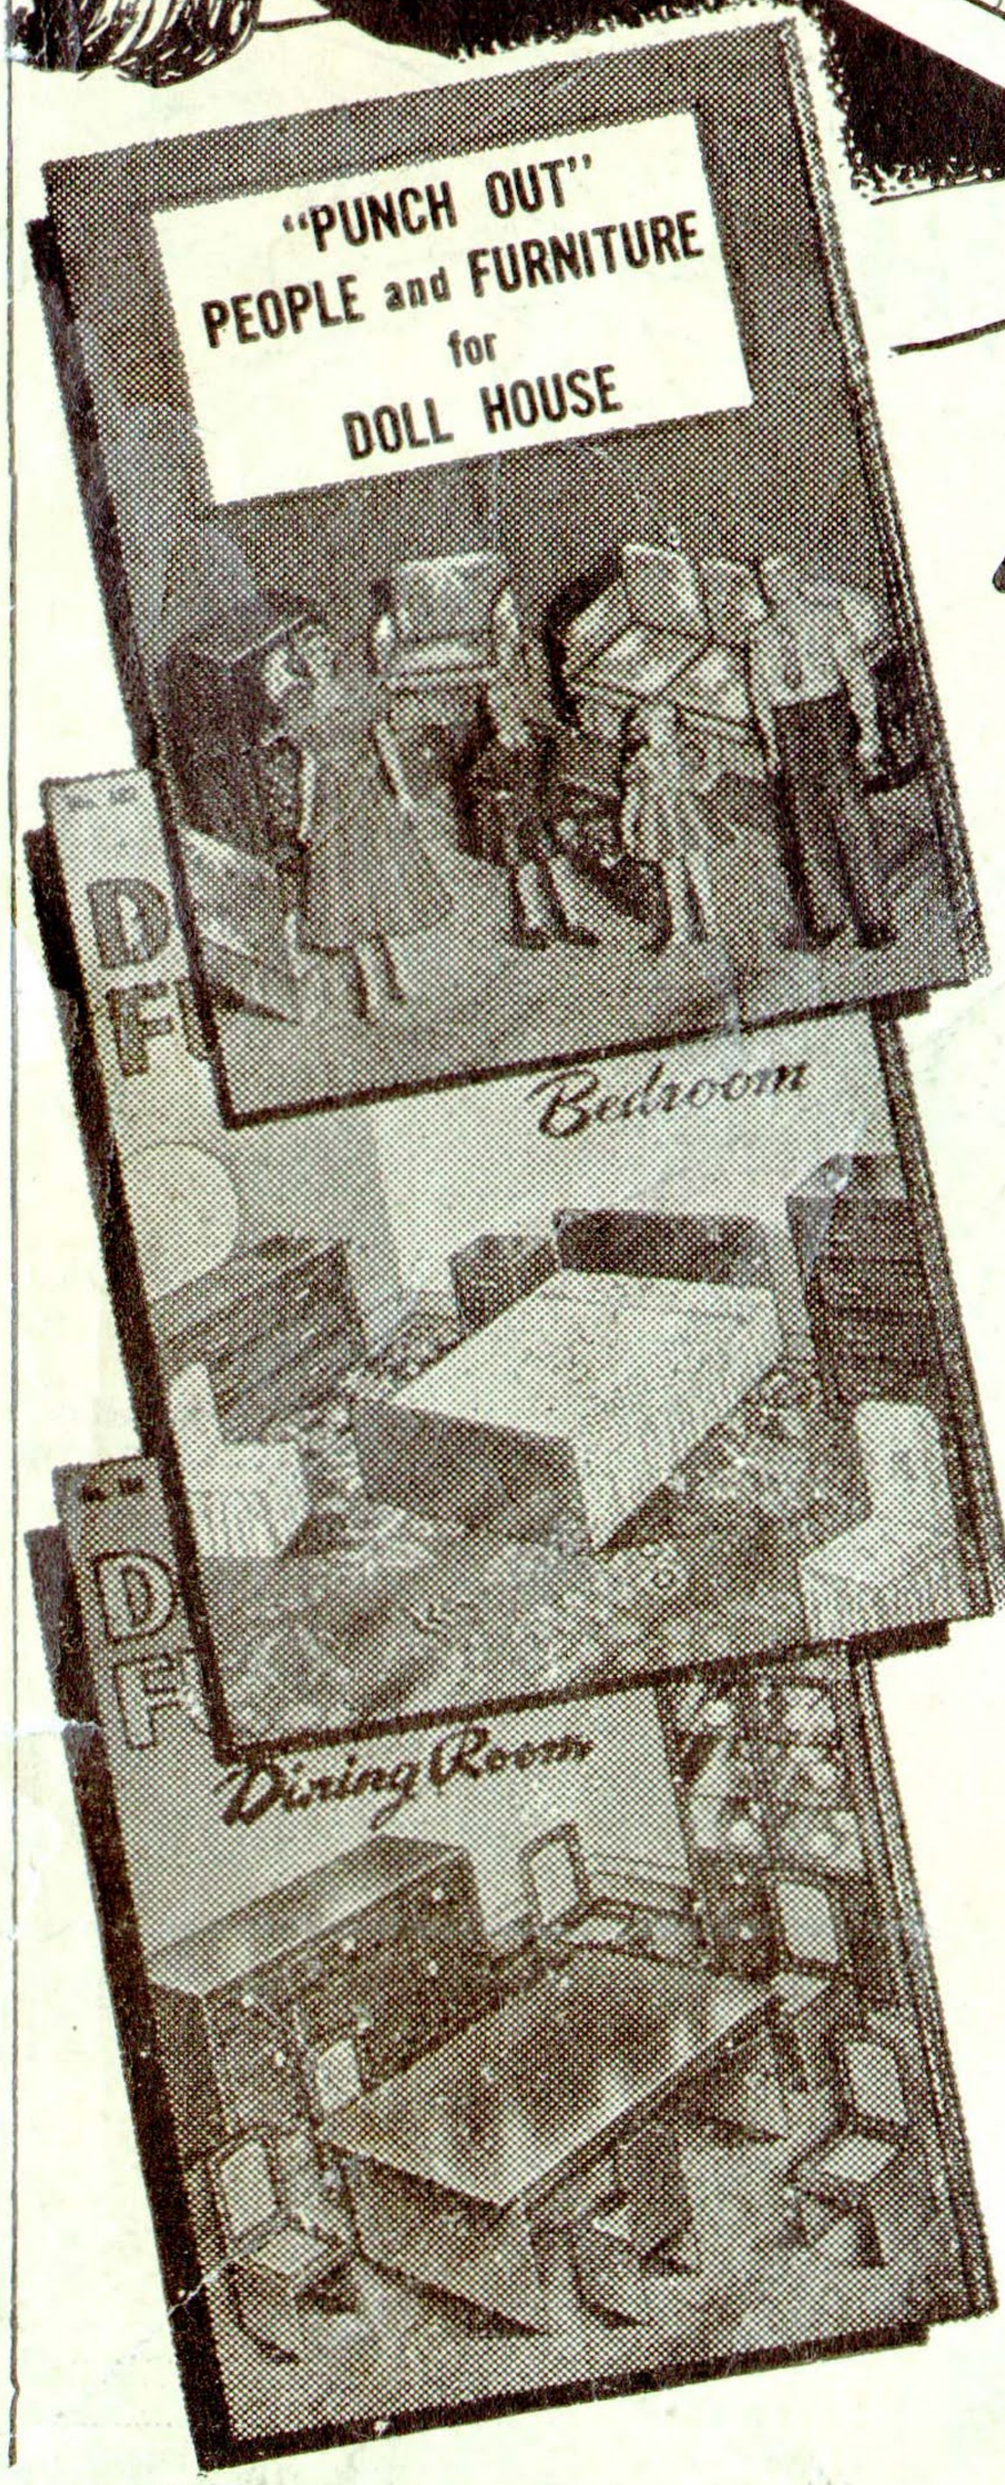
You have got to be joking.. What's the catch?

Well.. It's pretty obvious isn't it.

What?

The house is haunted, and I have to promise to live there and never sell it.





Lets play house

It's okay, I still like you.

I guess I don't need to stay with you after all. But if you wouldn't mind getting Pattee, could you guys stay with me? At least for the first night?

Sounds good. We will have a seance and see what's up with your new house.

Thank you so much!

And congratulations on your new fortune!

Later that night the three of them meet up at the address written in the letter.

This place is huge! This isn't a house.. It's more like a castle!

Well it certainly looks the part of a haunted mansion, thats for sure.

Let's get inside and see if we can scare up some ghosts!

You are hilarious Dorriss.

Inside Pattee is setting up the table with candles for the seance.

Okay, everything seems ready, lets all sit down.

It is huge.. It's too big for me.

This house is so cool! I love it!

Maybe Stensor will...

I doubt that.

If you guys are finished with the soap opera, lets get down to some contact from the other side.

If there are any spirits in this house, we would like to contact you!

I think I felt something brush against me.

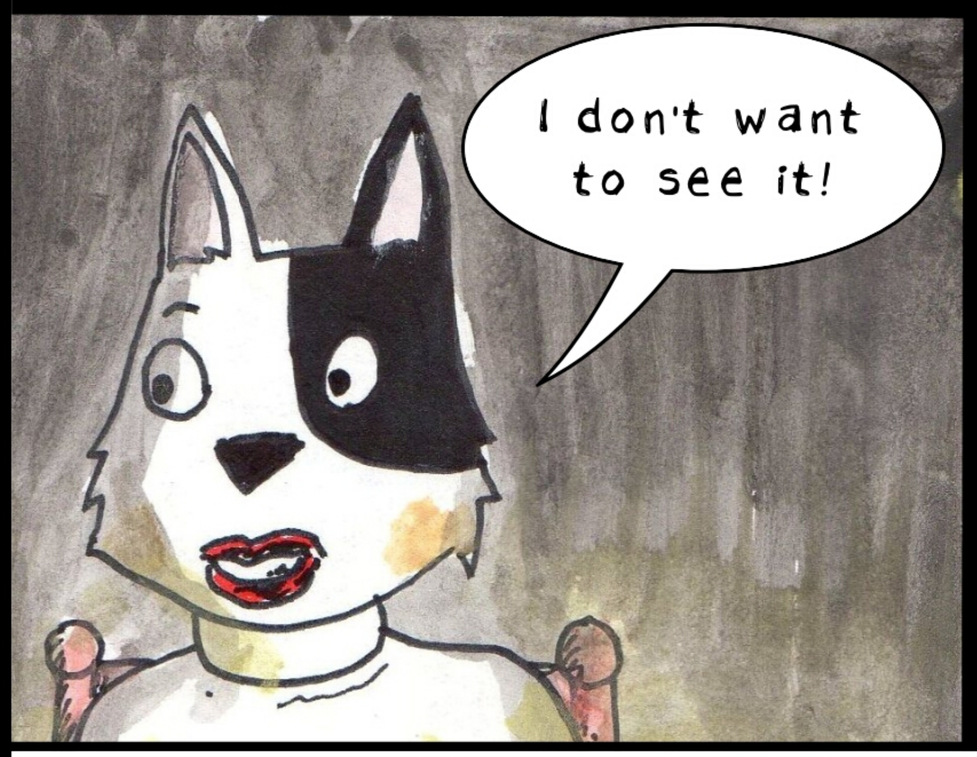
Your imagination probably.

We mean you no harm, please show yourself...

SUDDENLY!

WOOSH!

This is not my imagination.



And finally from the darkness appears a giant disembodied luminescent head!

I am Rick the Head! And I live in this house.

This is my house now, and you gotta leave!

Why must we leave?

Wait, we? Is there more than one of you?

Yes.. There are a few of us here, we have inhabited this house for many years!

Well that seems pretty reasonable.

But I don't want to live with a bunch of ghosts!

Why not? Tell you what, I will stay here.. Live with you. That way you won't feel so scared.

Pattee! You are crazy!

I have a message and a warning.. If I tell you these things perhaps you will consider us as room mates.

Okay, okay.. What's your stupid message?

You must go back to the Cat Planet Pattee.. Terrible things are about to happen.. Things that will possibly destroy the entire planet!

Oh my goodness... what sort of things?

The King of the Cat Planet, King Fluffy has gone insane and is threatening war against Mars. It may destroy both planets.

Fluffy? He wouldn't do something like that! I must get there right away!

So are we cool? Can we stay here?

Yes, of course.

...

Pattee!

Relax.. We gotta get to The Cat Planet.

Fine, but I'm coming with you.

And me. This sounds serious.

I will contact Forclune and get him to transport us up to his satellite. From there we can probably get a space ship or something to travel to the Cat Planet.

If this is as serious as you say it is, then maybe we should call Stensor to come along as well.

Yes, you are probably right... this time.

Without Electrical Devices . . . Rubber Sheets . . . Alarms . . .

Ends Shame, Discomfort, Inconvenience Almost Miraculously!

Now, it is available for the first time without prescription to all the victims of BED-WETTING who long to rid themselves of this distressing habit once and for all. DRY-TABS is safe, not habit forming, contains no harmful drugs—Follow simple directions.

"DRY-TAB THERAPY" Eventually Allows BED-WETTING Victims to Function Normally Without Further Medication

DRY-TABS, in most cases, does not offer merely temporary stopping of BED-WETTING. In case after case, as revealed in clinical tests conducted in hospitals by medical scientists, the DRY-TABS formula proved itself to be a tablet that gives direct support to the patient in controlling his BED-WETTING. The benefits of the DRY-TABS formula may be expected to be effective beyond the period when it is taken regularly. It helps the BED-WETTING victim to retrain, tends to increase strength of sphincter and detrusor muscles controlling urination. Many cases have discontinued the use of DRY-TABS after a short time and found they were functioning normally. So BED-WETTING victims do not have to be slaves to any kind of medication if their case is of the type that responds to the re-training power of DRY-TABS. This is probably one of the greatest advancements ever made in BED-WETTING therapy. Yes, once DRY-TABS stops BED-WETTING, its use may no longer be required, normal functioning and control may be developed almost miraculously. So don't hesitate a minute longer. Order DRY-TABS Today!

DRY-TABS Amazing Formula Effective in 75% of Cases

CASE NO. 1. Healthy, intelligent boy, 9 years old. BED-WETTING since infancy. Child could not break habit. All other medication failed. DRY-TABS formula taken for two three-week periods. Child has remained well for the past three years.

CASE NO. 2. Normal boy, history of BED-WETTING since infancy. Child had no organic defect. Various cures failed. Put on DRY-TABS formula regime. After a month, habit suddenly stopped.

CASE NO. 3. Male, aged 23 years. BED-WETTING since birth. Many forms of treatment failed. Unable to accept invitation to sleep out over-night. Recently married, and embarrassed by habit. After formula taken, wet bed the first two nights but never since that time.

CASE NO. 4. Girl, aged 6 years. Wet bed since infancy. Nervous, irritable. DRY-TABS formula administered for regular period. BED-WETTING stopped almost immediately. Slight relapse. Formula administered again. Child responded immediately once more, and history reveals no further relapse.

CASE NO. 5. Man, 42 years old, wet "heavily." Medication started. Wet during second week and continued to wet when medication was withdrawn for following week. Restarted after rest period, and after five-day treatment seemed to retain control of bladder function.

CASE NO. 6. Woman, 76 years old. DRY-TABS formula administered for 6 days. Improvement, upon withdrawal of medication, improvement remained. Continued gradual return of control. One year without formula and control is adequate.

WHY endure the needless shame, embarrassment, humiliation . . . the discomfort and distress of this unfortunate habit? Why put up with the daily nuisance of changing and washing bed linen and clothes? Why suffer the mortification of foul smelling bedrooms . . . the expense of ruined furniture . . . the danger of catching cold and infectious rashes?

Doctors agree that BED-WETTING can cause nervousness, stuttering and emotional disturbances in children, very often seriously affecting their future and character, making them "psychological cripples."

But now the disgrace and danger of BED-WETTING can very easily be a thing of the past with amazing new DRY-TABS. At last, medical science has discovered a safe, new, easy way to stop BED-WETTING without electrical devices . . . without rubber sheets, alarms or special diets and without interrupting needed sleep. DRY-TABS, in easy-to-take tablet form, does away with BED-WETTING as painlessly, easily and simply as swallowing an aspirin. Yes, almost miraculously, amazing, safe DRY-TABS, used as directed, help stop functional BED-WETTING . . . relieve tension and strain, often the underlying cause in most cases of this unfortunate habit. Now, for the first time, safe DRY-TABS can be obtained without prescription.

DEVELOPED AFTER YEARS OF EXTENSIVE HOSPITAL AND CLINICAL RESEARCH AS REVEALED IN MEDICAL LITERATURE

The discoveries of science, many times, are brought about by indirect means. Take the case of the exclusive DRY-TABS formula. Medical practitioners chanced upon this formula while they were investigating a remedy for another illness. Noting the remarkable effect that this formula had upon BED-WETTING they concentrated their efforts on this new data and developed the formula to its present state of perfection. The result is the new DRY-TABS, a remarkable tablet that has brought new hope to thousands of tormented victims of BED-WETTING. Before this formula was released to the public, it was tested in clinics and hospitals by medical scientists on controlled groups of patients. The DRY-TABS formula is the result of thorough medical research, the same kind of research and care that is given to any product that is to be placed in the hands of the public.
